

**ENERGY SERVICES**

# Closed Mud Skips

## S P E C I F I C A T I O N S

**TD Energy Services offer a large range of “Rental” containers for onshore and offshore purposes,**

Manufactured to DNV 2,7 - 1/ EN 12079 or equivalent standards

- Provide safe and efficient containment of drilling waste for transportation to treatment or disposal sites
- All units designed and manufactured to DNV 2.7-1 / EN 12079 standards
- Designed to meet Norsok S-002N requirements to improve health and safety
- Light aluminium lid (max 25kg) for safe and easy lifting, opening/closing
- Due to design there is no need for climbing on units - eliminating risk of falls
- Large lid ensures ability to fill unit to maximum, improving logistics
- Sealed lid prevents any spillages during transportation-
- When stacked two high the sling on the upper skip is easily accessible
- Fork lift pockets for easy maneuvering
- Designed for stability-tested up to 32 degrees
